Memorandum

To: All interested parties

Subject: Nadcap approved processes

General Metal Finishing is proud to offer Nadcap approved services for the following plating specifications:

- AMS-C-26074
- MIL-C-26074
- ASTM-B488
- MIL-DTL-45204
- MIL-G-45204
- AMS-QQ-N-290
- FED-QQ-N-290
- AMS 2404

We have also achieved Nadcap approval of the following disciplines:

- Quality Management System
- Electroplating
- Electroless Plating
- Solution Analysis and Testing
- Ovens for Thermal Treatments ($\leq 250^{\circ}\text{F}$)
- Microhardness Testing
- Heat Resistance Testing
- Adhesion Testing
- Conductivity Testing
- Coating Thickness Measurement
- Solderability Testing

Sincerely,

Steve Pimental
Quality Manager
